

Dear SunPower Installer,

You may be aware that in August 2024, SunPower Corporation began a Chapter 11 restructuring process. On September 30, 2024, Complete Solaria, Inc. acquired certain assets of SunPower and now operates as SunPower.

Enphase Energy has received questions about microinverter warranties, product availability, and expansion of Legacy SunPower systems. Enphase will continue to honor the terms of the product warranty for Enphase microinverters used in Legacy SunPower systems and will ensure product availability to support warranty claims as well as system expansions.

If you have further questions, please email us at spwrquery@enphaseenergy.com or call us at (510) 945-6752. We will do our best to assist.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nitish Mathur', with a stylized flourish at the end.

Nitish Mathur
