

Dear System Owner,

You may be aware that in August 2024, SunPower Corporation began a Chapter 11 restructuring process. On September 30, 2024, Complete Solaria, Inc. acquired certain assets of SunPower and now operates as SunPower.

Enphase Energy has received questions about Enphase microinverters used in Legacy SunPower systems. Enphase will continue to honor the terms of the product warranty for Enphase microinverters used in Legacy SunPower solar systems.

If you are a cash or loan SunPower system owner and have further questions, you can email us at spwrquery@enphaseenergy.com or call us at (510) 945-6752. We will do our best to assist. If you are a SunPower lease or PPA customer, please contact the customer service number listed on your billing statement.

More than four million customers worldwide use Enphase microinverter products along with our industry-leading Enlighten software platform. We are pleased to offer 24/7 support and remain committed to providing a great customer experience.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nitish Mathur', with a stylized flourish at the end.

Nitish Mathur
SVP, Customer Experience
Enphase Energy, Inc.
