

Limited Warranty - EVSE

- **Effective Date:** April 1, 2026
- **Covered Territory:** Finland
- **Covered Products:** IQ EV Charger products with the SKUs set forth in the [Covered Products Schedule](#).
- **Limited Warranty Period:** See the [Covered Products Schedule](#)

This Limited Warranty is effective only for the Covered Product SKUs in the attached Covered Products Schedule. Always check <https://enphase.com/warranty> to ensure you have the correct Limited Warranty for your Covered Product. THIS WARRANTY APPLIES SOLELY TO PRODUCT THAT HAS BEEN IMPORTED INTO THE EUROPEAN ECONOMIC AREA/SWITZERLAND/UK ("THE EUROPEAN REGION") WITH ENPHASE'S CONSENT. ADDITIONALLY, IF YOUR PRODUCT WAS IMPORTED INTO THE EUROPEAN REGION WITHOUT ENPHASE'S CONSENT, IT IS NOT INTENDED FOR USE IN THE EUROPEAN REGION, AND ENPHASE MAY REFUSE TO ALLOW YOU TO ACTIVATE SUCH PRODUCT. PLEASE VERIFY WITH YOUR INSTALLER THAT THE PRODUCT IS INTENDED FOR USE IN THE EUROPEAN REGION. YOUR INSTALLER CAN VERIFY THIS HERE: <https://enphase.com/installers/authorization>.

- 1. Limited Warranty.** Subject to the terms of this Limited Warranty, and during the applicable Limited Warranty Period Enphase Energy, Inc. ("**Enphase**") warrants to the Covered Owner (defined below) that the Covered Product, under use and conditions set out in the User Manual and Product Data Sheet (collectively, the "**Enphase Documentation**"), will be free from defects in workmanship and materials when such Covered Products are installed for use at the original end user location (the "**Original Location**") in the Covered Territory. This Limited Warranty is valid (a) only to the extent permitted by the applicable laws of the Covered Territory(ies), (b) when the Covered Product is sold by Enphase itself or by an Enphase-authorized reseller in the Covered Territory, and (c) to the extent the exclusions in Section 7 do not apply. The Enphase Documentation may be found at <https://enphase.com/en-fi/installers/resources/documentation>.
- 2. Covered Owner.** For the purposes of this Limited Warranty, the "**Covered Owner**" or "**you**" shall mean the person or entity that purchases a Covered Product from Enphase or an Enphase-authorized reseller and installs (or has installed) such Covered Product at the Original Location. In addition, Covered Owner shall include subsequent transferees (each, a "**Transferee**") as long as (a) the Covered Product remains at the Original Location, and (b) the Transferee submits to Enphase a completed "*Change of Ownership Form*," which Enphase may modify from time to time in its sole discretion. The submission of a Change of Ownership Form is required in order for the Transferee to receive continued Limited Warranty coverage on the transferred Covered Product. The Transfer Fee is subject to reasonable adjustment from time to time (as determined at Enphase's discretion). The Change of Ownership Form and payment instructions for the Transfer Fee are available at <https://enphase.com/en-fi/warranty/finland>.
- 3. Additional Rights.** This Warranty applies in addition to mandatory statutory rights available to consumers under Finnish consumer laws, including under the Finnish Consumer Protection Act (38/1978). It explicitly does not limit any mandatory statutory consumer rights.
- 4. Continuous Connectivity.** The Covered Products should be continuously connected to the internet during the warranty period, except where interrupted by causes outside of the Covered Owner's reasonable control. This will help ensure that potential defects in the Product can be diagnosed remotely, and that the Product can receive over-the-air firmware updates.
- 5. How to Obtain Warranty Service.**
 - a. To obtain Limited Warranty service for a Covered Product, you must comply with the Return Merchandise Authorization (RMA) Procedure available at <https://enphase.com/en-fi/warranty/finland>. You may be asked to provide the purchase receipt for the Covered Product. All claims made under this Limited Warranty must be submitted to Enphase during the Limited Warranty Period and within ninety (90) days of discovering the defect.

- b. Upon issuance of the RMA, Enphase will ship a replacement unit to the Original Location. In certain circumstances, Enphase may require the Covered Owner to return the allegedly defective device prior to Enphase shipping the replacement unit.
- c. When the replacement unit arrives, and if Enphase has required you to return the allegedly defective device, you must place the defective device into the original shipping container or other packaging that is equally protective of the product, apply a pre-paid shipping label (the RMA Procedure allows Covered Owners to generate a prepaid mailing label for the return), and drop off the box at the nearest shipping location. If the allegedly defective Covered Product is not received by Enphase within sixty (60) days of Enphase providing an RMA number and a replacement unit has been shipped to the Covered Owner, Enphase will invoice the Covered Owner, and the Covered Owner will pay, the then-current list price for such replacement product or product part. If you do not use the pre-paid shipping label provided by Enphase, Enphase recommends that you use a tracking service for your protection.
- d. If a Covered Owner returns a Covered Product to Enphase (i) without an RMA from Enphase, (ii) without all parts included in the original package, or (iii) that Enphase determines is not covered under this Limited Warranty, Enphase retains the right to either (1) refuse delivery of such return and return it at the Covered Owner's cost (subject to prepayment); (2) charge a restocking fee equal to the higher of fifteen per cent (15%) of the original Covered Owner's purchase price of the Covered Product or the retail value of the missing parts; or (3) keep the Covered Product for thirty (30) days for pick-up by the Covered Owner, and then (if it is not picked up) dispose of it at Enphase's sole discretion without further liability or obligation to the Covered Owner.
- e. Once a returned Covered Product is received and inspected, Enphase will notify the Covered Owner (or the installer authorized by Covered Owner to replace the Covered Product) that Enphase has received the returned Covered Product.
- f. By returning a Covered Product, Covered Owner hereby acknowledges that ownership of the Covered Product is transferred to Enphase upon Enphase's receipt of the Covered Product. If the claim is justified based on this Limited Warranty, Enphase will bear the cost of shipping the repaired or replacement Covered Product to Covered Owner (or to the installer authorized by Covered Owner to replace the Covered Product) at the Original Location.

6. Remedies.

- a. During the applicable Limited Warranty Period, if Enphase confirms the existence of a defect that is covered by this Limited Warranty, Enphase will, at Enphase's option, either (i) repair or replace the Covered Product free of charge, or (ii) refund you the actual purchase price for the Covered Product less reasonable depreciation based on use at the time you notify Enphase of the defect. Enphase will not elect to issue a refund unless (A) Enphase is unable to provide a replacement and repair is not commercially practicable or cannot be timely made, or (B) you are willing to accept such a refund. In the event of a defect, to the extent permitted by law, these are your sole and exclusive remedies.
- b. If Enphase repairs or replaces the Covered Product, (i) Enphase will, at its option, use new and/or reconditioned parts or products of original or improved design, and (ii) the Limited Warranty will continue to apply to the repaired or replacement product for the remainder of the original Limited Warranty Period or ninety (90) days from the date you receive the repaired or replacement product, whichever is later.
- c. If Enphase issues a refund or a credit, as applicable (rather than providing a repaired or replacement Covered Product), such refund or credit, as applicable, will be processed and paid within two (2) weeks of Enphase's receipt of the Covered Product.

7. Limitations and Exclusions.

- a. This Limited Warranty does not include any cost of labor related to (i) un-installing Covered Product; (ii) re-installing a repaired or replacement product, or (iii) the removal, installation or troubleshooting of the Covered Owner's electrical systems.

- b. The Limited Warranty does not cover, and Enphase will not be responsible for, shipping damage or any other damage caused by mishandling of products by the freight carrier.
 - c. This Limited Warranty does not cover, and the term "Covered Product" does not include, any third-party products not supplied by Enphase that may be installed with or used in connection with the Covered Products.
 - d. This Limited Warranty does not apply to, and Enphase will not be responsible for, any defect in or damage to any Covered Products: (i) that have been misused, neglected, tampered with, altered, or otherwise damaged, either internally or externally; (ii) that have been improperly installed, operated, handled or used, including use under conditions for which the product was not designed, use in an unsuitable environment, or use in a manner contrary to the Enphase User Manual or applicable laws or regulations; (iii) that have been subjected to fire, water, generalized corrosion, biological infestations, acts of nature, or input voltage that creates operating conditions beyond the applicable maximum or minimum limits listed in the applicable Covered Product Data Sheet (as published online at www.enphase.com), including high input voltage from generators or lightning strikes; (iv) that have been subjected to damage caused by third party components not provided by Enphase and used with the Covered Products or any damage to the Covered Products caused by service performed by anyone who is not a representative of Enphase; (v) if the original identification markings (including trademark or serial number) of such products have been defaced, altered, or removed (other than by fading through regular wear and tear); (vi) if the Grid Profile (utility approved operating parameters) of the Covered Product has been altered, and such alteration causes the product to malfunction, fail, or fail to optimally perform; or (vii) if the Covered Product is not using the most up-to-date software or firmware version made available by Enphase and the defect or damage could have been avoided by using such firmware or software version.
 - e. The Limited Warranty does not cover cosmetic, technical or design defects, or shortcomings which do not materially influence or affect energy production or degrade form, fit, or function of the Covered Products, or any defects or parts requiring replacement due to ordinary wear and tear, corrosion, rust or stains, scratches, dents on the casing or paintwork of the Covered Product. The Limited Warranty does not cover costs related to the removal, installation or troubleshooting of the Covered Owner's electrical systems.
 - f. This Limited Warranty will not apply to products that have not received permission to operate from the local authorities having jurisdiction over such matters, if such permission is required in the Covered Territory.
 - g. For the avoidance of doubt, software programs installed in the Covered Products and the recovery and reinstallation of such software programs and data are not covered under this Limited Warranty. Enphase does not warrant that the operations of the Covered Product will be uninterrupted or error-free.
 - h. Covered Products are not intended for use as a primary or backup power source for life-support systems, other medical equipment, or any other use where product failure could lead to injury, loss of life, or catastrophic property damage. Enphase disclaims any and all liability arising out of any such use of your Covered Products. Further, Enphase reserves the right to refuse to provide support in connection with any such use and disclaims any and all liability arising out of Enphase's provision of, or refusal to provide, support for your Covered Product in such circumstances.
- 8. No Modifications.** No Enphase employee, reseller or other third party is authorized to make any modification, extension, or addition to this Limited Warranty.
- 9. Severability.** If any term of this Limited Warranty is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.
- 10. Assignment.** Enphase expressly reserves the right to novate or assign its rights and obligations under this Limited Warranty to a third party with the demonstrated expertise and requisite resources needed to effectively discharge the obligations hereunder.

11. Disclaimer of Warranties. Enphase does not grant any further rights, remedies or claims under this Limited Warranty, and any further rights and claims, whether express or implied, statutory or otherwise (including warranties and conditions of merchantability and fitness for a particular purpose) shall be excluded.

Except to the extent prohibited by applicable law, the grant of this Warranty by Enphase is conditioned upon agreement by the covered owner to the terms, conditions and requirements herein.

12. Limitation of Liability.

- a. Enphase shall not be liable for any damage occurring due to slight negligence. Nothing in this Warranty excludes or limits the liability of Enphase for wilful misconduct or gross negligence, infringement of main contractual obligations, based on product liability laws or for death or personal injury caused by Enphase's negligence.
- b. In case of a slightly negligent infringement of essential contractual obligations, Enphase's liability will be limited to the foreseeable damages which are characteristic for such type of contract.
- c. In cases of Section 12(b) Enphase shall not be liable for any (i) indirect or consequential damages, losses, costs, or expenses however arising nor (ii) economic losses of any kind, nor business losses, such as loss of profits, loss of sales, business interruption, or loss of business opportunities.
- d. In case the end user is a consumer, the limitations of liability set out in this Section 12 will apply to the fullest extent permitted and enforceable under the applicable mandatory laws.

13. Governing Law; Venue. This Warranty shall be governed by and construed in accordance with the laws of Finland. Each party agrees to submit to the non-exclusive jurisdiction of Finlandn courts. However, as a consumer, you benefit from the mandatory provisions of the law of your country of residence. Nothing in this limited warranty shall affect your rights as a consumer to invoke such mandatory provisions of local law.

14. Consumer Dispute Resolution. Consumer may turn to the Consumer Disputes Board (Fi: *Kuluttajariitalautakunta*) to have the dispute tried to the extent that the board is competent to try the dispute. The Consumer Disputes Board's address is Hämeentie 3, Box 306, 00531 Helsinki and the website's address is www.kuluttajariita.fi. Before taking the matter to the Consumer Disputes Board, the customer must contact the Customer Advice Service (Kuluttajaneuvonta) (<https://www.kkv.fi/kuluttaja-asiat/kuluttajaneuvonta/>). Enphase is not committed or obliged to participate in dispute resolution procedures in front of the Consumer Disputes Board.

Covered Products Schedule

EVSE Products

Effective Date: April 1, 2026

Covered Territory: Finland

Activation Date: For purposes of this Warranty, "Activation Date" means (i) the date the Covered Product is originally purchased, as supported by your original purchase receipt (the "**Purchase Receipt**"). Notwithstanding any other language in this Limited Warranty, if you are unable to provide the Purchase Receipt for the IQ EV Charger and Enphase cannot otherwise verify your original date of purchase for the IQ EV Charger, then the warranty start date for the IQ EV Charger will be the earlier of (i) the date the IQ EV Charger is first powered on; or ninety (90) days after the date the IQ EV Charger was shipped from Enphase's distribution center to the original seller.
